Dear Mr. Weisberg

My mom and I made it home OK. We got home late Friday night.

Thank you letting visit and copy your best, in my opinion the best film. Those I can see are going to be the best ones I have. After we left your house we went to Gettysburg. It was fun there.

I remember you saying something about have a manuscript that you said you would want me to read, but since I didn't have enough time you never showed me it. Well if you want you could send it to me, will read it and tell you what I think about it.

~~I have one more question~~ ~~its~~ ~~on the tape~~ I am sending you. ~~Thanks Again.~~

Your friend,
Lee Ahrens

P.S. Please find your answer on tape and send it back

Thank you!
